PROFESSIONAL DEVELOPMENT AND TRAINING SERVICES

Success is all about people and their performance, Kingdom Academy understand that people are the most valuable asset to any organisation.

KINGDOM ACADEMY

Our team comprises passionate and experienced trainers, mentors, and coaches who breathe life into the learning experience through practical activities and real-life examples. We ensure that individuals are not only motivated to engage with their learning but also adept at applying it effectively. As a result, our learners experience tangible improvements in their job roles, leading to increased job satisfaction, resilience, and often, career progression.

We offer robust support for development through Apprenticeship Levy utilisation, boasting an impressive 74% success rating and an Ofsted Good Grading. Our accredited qualifications from CIH, ILM, and CMI, along with tailored, bespoke training programmes, form our comprehensive suite of offerings. These courses are designed to empower individuals, equipping them with the skills and knowledge needed to excel in their roles. We also contextualise learning to each sector, making it relevant and meaningful. Kingdom Academy offers open courses throughout the year to facilitate quality engagement and onboarding, ensuring maximum programme success. We also deliver closed sessions for groups of 10 or more, where we can embed your organisation's values and desired training outcomes.

Kingdom is considered the benchmark for quality in our industry. We are accredited by all major UK quality assurance bodies.
